## TOURNAMENT REGULATIONS

### Siemens Golf Cup 2008

Competition of teams consisting of 3 invited players chosen by drawn numbers of individual players at the tournament presentation. It is played by the stableford netto system with HCP change.

#### 1. System of game.

Tournament is played by the stableford netto. Each player shall draw his order number at the tournament presentation. The three player teams will be composed of players according to their order numbers by the system from one up to the last number. Only the best result out of results played by all players in each team is scored (see point 3 and 4). It is being played according to R.& A.GC golf rules of St. Andrews and local rules.

#### 2. Composition of teams.

The teams will be composed according to the order of numbers drawn by individual players at the tournament presentation. (i.e. number 1., 2., 3. will compose one team, number 4., 5., 6 second team, e.t.c.)

#### 3. HCP of team.

The total HCP of all members of each team will be divided by the number of team members. By this HCP the best result of each individual team according to point 1 of the regulations thereof will be calculated.

#### 4. Result of team in competition.

Result will be determined by the selection of the best results played by a team player at each hole and by its calculation by HCP team according to point 3.

#### 5. Order in competition, equal result.

The number of stableford points determines order of team in competition according to point 4 of regulations. The winner is team with the most points.

In case of scoring an equal number of points the order on the first three rankings will be determined as follows:

- A. better brutto scores of team
- B. lower HCP of team
- C. lot

#### 6. Announced competition categories.

Stableford brutto – the best players

Stableford netto – the first three players

Competition of teams – the first three teams
